What will you find there? Feature articles, quizzes to test your *Interview Readiness* and another to *Assess Your Resume’s Effectiveness*. You’ll also find salary surveys, relocation info, cost of living comparisons, and of course my recommended job listing sites.

Websites change very frequently. Since I’m online a lot with clients, I stay on top of the better ones to use. And clients also alert me to any especially good ones in their field. (If you have a favorite job listing site I’ve missed, email me the link and your comments to: Robin@robinryan.com)

Every month I update my recommendations on my website to save you time. Simply register once

and you come as often as you like.
Remember, *put your best efforts
forward and you will succeed!*
